

PROVIDING ONE-STOP
POWER BACKUP SOLUTIONS
SINCE **2006**

Committed To Superior Quality & Results

With over 17 years of expertise in the field, we take pride in being your go-to, authorized channel partner for all your power backup needs.

Whether you're in the corporate world, healthcare sector, or any other industry, we've got tailored solutions just for you.

At MPower, we don't compromise on quality. We've joined forces with the world's leading technologies and renowned brands to bring you the finest power backup solutions available.

Vision-

To understand the critical role of power backup solutions in all business activities for our wide range of customers by articulating it, passionately owning it and relentlessly driving it to completion.

Mission-

Our mission is to deliver our best services, innovative practices and continuously optimize customers' business through our world-class solutions in order to achieve 100% customer satisfaction for every product we sell and to accelerate the world's transition to sustainable energy.

Values-

We believe in building long-term relationships with our customers & clients and provide exceptional customer service by providing innovative solutions through advanced technology. We grow through creativity, invention, and innovation.

DIRECTORS' MESSAGE

“Progress for us has never been a dream. It has always been a distant reality and once one milestone is achieved, there is always another one waiting to be crossed. It is with this belief that we started MPower in 2006”
